Dear Parent/Guardian,

Wisconsin Students in 10<sup>th</sup> grade will be participating in the Forward assessment during the March 18 - May 3 testing window. Your student will be taking the Forward Assessment in their World History class.

The Forward assessment tests students in the areas of Social Studies. One or more subtests may be administered daily during the identified time frame and it is very important that your son or daughter be in school during this time. Students not in school on the scheduled testing days will be scheduled for a make-up test prior to the close of the testing window.

Linked below is an *Informational Brochure for Families* which gives more information about the assessment including its purpose, what scores will be provided, and how the scores will be used.

The Forward assessment measures the knowledge and skills your student(s) should have acquired by the time they reach each grade level. Their performance on the assessment will not affect any of their current grades. Please encourage your son or daughter to take the test seriously and do the best they can. The results of these tests will be used to help school staff make determinations or placement in classes to best support your student

If you have any questions, please contact Kent Kleinowski at [Kleinowskik@wawmsd.org](mailto:Kleinowskik@wawmsd.org) or 414.604.3119.
