WEST ALLIS -- The West Allis Central Bulldog Athletic Department has named Mr. Cory Thompson as our new head football coach for the 2019-20 school year.

Some of our Bulldog student-athletes and families may know Mr. Thompson as an active member in the community with his work in the West Allis-West Milwaukee Recreation and Community Services Department where he serves as a Program Manager overseeing youth sports, intermediate school athletics and is a district liaison to the Junior Programs.

Coach Thompson played football at the University of Wisconsin-La Crosse where he was a team captain. The 2006 UW-La Crosse grad has a Bachelor of Science in Recreation Management and has worked for the West Allis-West Milwaukee School District since 2007.

We are excited to have Mr. Thompson a part of the Bulldog Family and know his familiarity with the West Allis Community will be an asset to our football program. We believe Coach Thompson's ability to make football a fun, exciting and challenging experience of our student-athletes at Central will have a great impact.

"I am honored to be your new head football coach and can not wait to get to work with our Bulldog student-athletes," said Thompson. "I look forward to bringing a fresh start and energy to the football program. Our coaching staff looks forward to starting a new tradition for the football program. Go Bulldogs!"

We invite you to join us for team/information meetings to meet and welcome Coach Thompson. Our student-athletes should join Coach Thompson on Friday, April 26, 2019, in the West Allis Central HS Cafeteria during CAP. On Thursday, May 2, 2019, at 6:00 pm any parents/guardians (or student-athletes) who are interested in learning more about the 2019 football season are invited.
